# The Emerald Story Book

By Various

There is no richer theme for children's stories than the miracle of Spring. The selections in "The Emerald Story Book" aim to serve the young reader's interest in three ways. Some of the myths and legends are interesting or amusing because flowers, insects, or birds are presented as personalities and emphasise human qualities or feelings. Some of the stories and poems contribute to the child's store of knowledge by attracting his attention to some fact, beauty, or blessing in nature which may have escaped his notice. Still others make an appeal by suggesting or affirming the abiding hope symbolised in the thought, "See the land her Easter keeping." (From the Introduction)
